

Exclusive offer for Linux Hosting Packages

DOMAIN NAME REGISTRATION & WEB HOSTING SPACE		Qty.	Rate	Amount
01	Web Hosting Space (1GB) in Linux – For 1 Year <i>Including 2 Free Email Ids with 1GB space each</i>	1	1500	1500
02	Domain Name Registration – For 1 Year Domain: At your own choice	1	700	700

The above Offer is for limited period.

Note :

- For transfer of Domain to our Server, we need the EPP Code or Authorization Code (which you will find in your existing panel / you have to request to your administrator for such code). After having such code we will be able to process for the Domain Transfer to our server.
- No additional charges will be applicable for Domain Name Transfer to our server.
- For Email – We will provide the Pop3 and IMAP support for email along with a third party Email Client.
- You can use the emails through any of your Email Client i.e. Ms Outlook, Ms Live Mail etc.
- Existing emails which are currently on the server now (apart from the Outlook/Live Mail) will not be accessible after transfer of your domain.

Terms and Conditions:

1. Payment should be made in advance along with the Work Order.
 2. The Panel will be maintained by our administrator. Only FTP access details will be given on request.
 3. The above proposal is excluding of Service Taxes (15%).
 4. The Domain Registration & Hosting will be subject to renewal basis, yearly.
 5. Cheque/Draft Payment should be made in favour of "SYSCON INFOTECH" payable in Kolkata.
